HAMMAM SERENITY RAPIDE RANGE

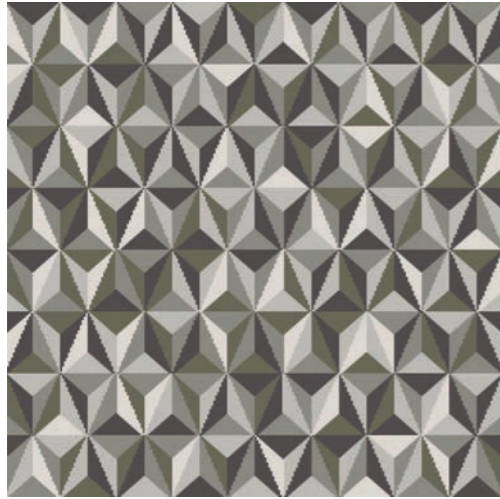

Created with the soft, calming colours from our new palette Serenity, this Rapide collection of designs are woven in 8 row quality for fantastic durability.

12 individual designs that blend layers of tranquil, harmonious pattern. Crafted specifically to cater for the needs of leisure and hospitality venues, Hammam's essential-oil themed profiles deliver beautiful modern carpet in contemporary colourways for design-led interior schemes.

Offering beautiful base colour combinations of on-trend blues and neutrals with popping highlights of natural greens, sunshine yellows and soft pinks, resulting in a resolutely elegant collection.

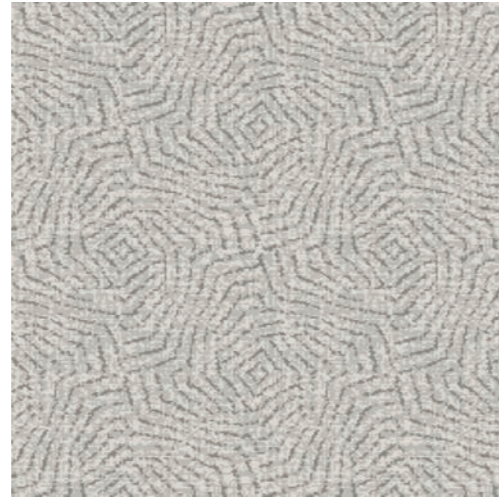

Our Rapide offer is designed for quick turnaround, and with no minimum order quantity, so these carpets can be woven and on their way in around a fortnight, subject to quantity.
