

TVS Polyurethane Sports Flooring

TECHNICAL INFORMATION

TVS GROUP
SPORT | FITNESS | PLAY | ACOUSTICS

Description

TVS Polyurethane Sports Floorings are well known for top quality for all kind of different sports in all possible climates all over the globe. The high slip resistance and the excellent wear resistance make the PU Sport systems the right choice for many athletes. Due to the durability and elastic characteristics PU sport systems can be used for all kind of sports, but also for several non-sport events like exhibitions, exams and seminars. This makes PU Sport the true multipurpose choice.

Unique features

- Seamless sports floorings
- Maximum slip resistance
- Excellent wear resistance
- Easy daily, periodic and long-term maintenance
- Easily resurfacable when necessary
- Optimal ball bounce
- EN14904 and DIN 18032-2 certified
- Factory quality assurance according to ISO 9001
- Factory environmental care according to ISO 14001
- Wide range of standard colours and custom-made colours on request
